The 1946 Lagniappe

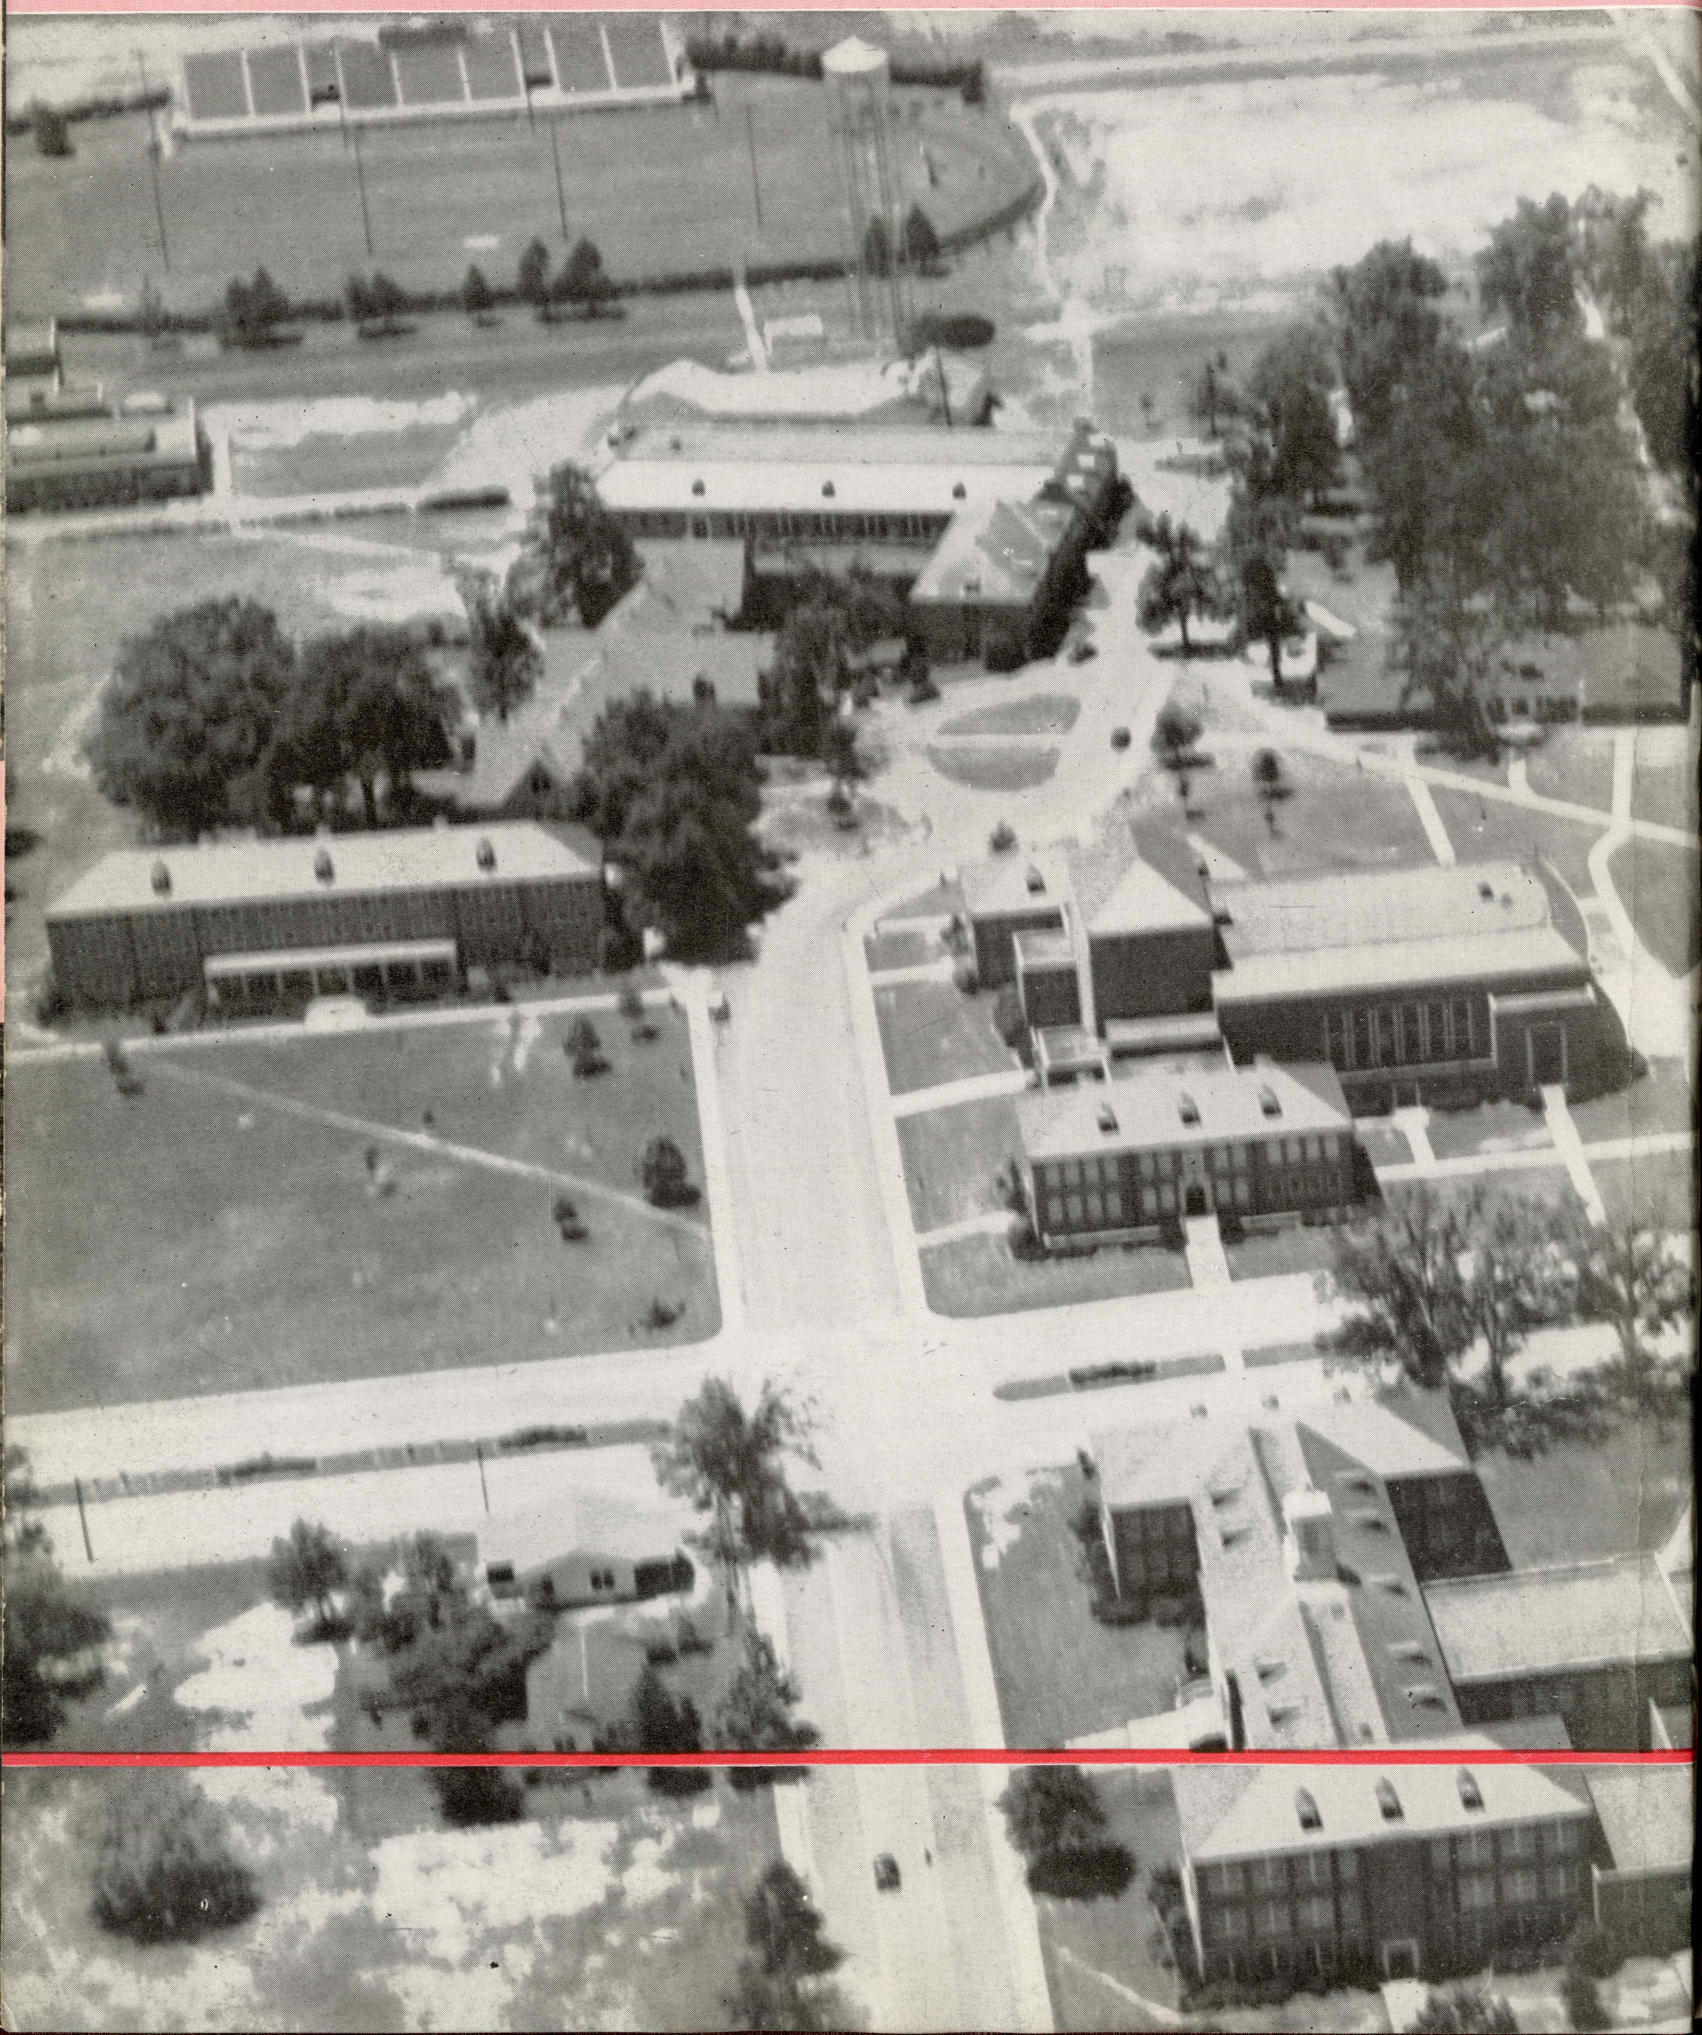

Foreword

Because of conditions brought on by the war, the Lagniappe was abandoned with the 1943 edition. Even now, in resuming publication, various circumstances have combined to prevent the production of a book on a par with previous Tech yearbooks. But we hope this volume nevertheless will serve its main purpose of furnishing you a pictorial record of the year 1945-46 at Louisiana Tech.

Having the distinction of being Women's League president, Joy Bernhardt of Monroe, an accounting major, is known around Tech as a good worker. Joy is a member of the Tech Co-Ed Trio, the Tech Theater Players, and Gamma Epsilon, honorary scholastic fraternity. She has also held offices in the Sigma Kappa sorority.

John H. Laughlin, popularly known as "Sleepy," has not only achieved athletic recognition in varsity football at Tech, but has played on the basketball team, being its captain in 1942. Returning from the armed forces in 1945, Sleepy won approval as a campus leader by being elected president of the senior class. He hails from Bloomfield, Indiana.

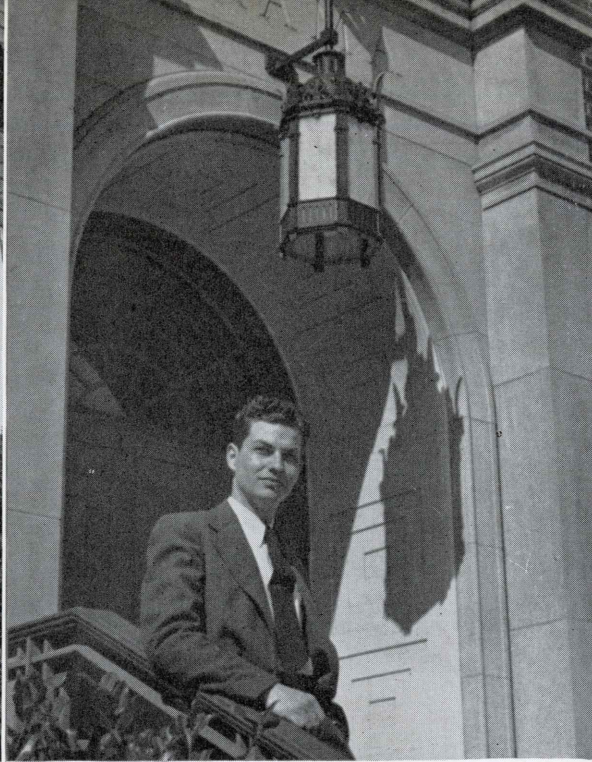

Who's Who

Well-known for her co-operation and participation in the various activities at Tech, Irma Orr, of Glenmora, has served as secretary of the Campus Women's Council, and been a member of the Tech Teachers' club and the Aswell hall honor council. Majoring in Home Economics, Irma is a member of Gamma Epsilon and Who's Who in American Colleges and Universities.

Victor Sumner, better known as Vic, has achieved and deserved the name he has made for himself as a fine Tech student. Hailing from El Dorado, Ark., Vic is a favorite in the Tech Theater Players, and is a member of the Tech Vets, International Relations Club, and chairman of the Freshman Rules Committee.

Melrose Kelly, a Home Economics major, has had a finger in a great many organizational "pies" on the campus. During her college career, Melrose has been president of Kappa Delta sorority, a senior advisor, president of Harper Hall, and a member of the Tech Co-ed Trio, Home Economics club, and Tech Theater Players. Her home is Shreveport.

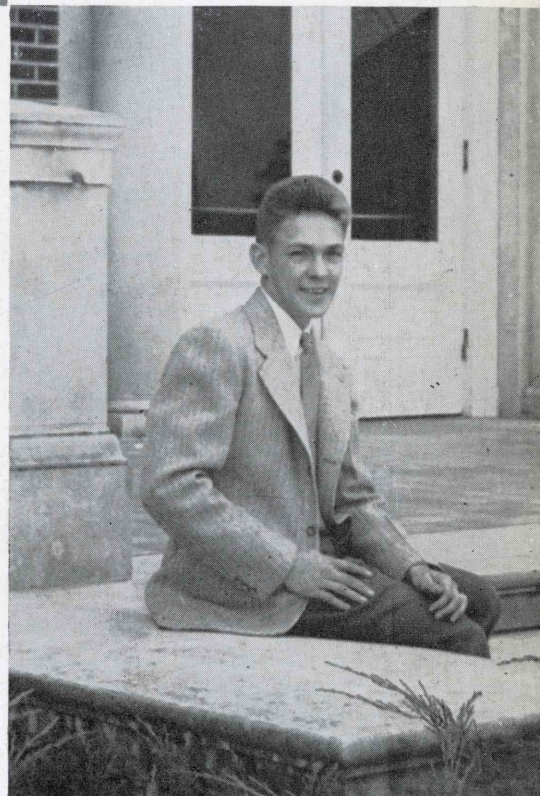

Outstanding in his work with the Tech Theater players, Ray Rogers, a Speech major from Simsboro, has by no means limited himself to activities in that field. A member of the National Collegiate Players, Ray is affiliated with the Alpha Lambda Tau fraternity, the Interfraternity Council, the Student Union, and the Baptist Student Union.

Plenty of school spirit and enthusiasm in all her Tech activities characterize Betty Johnson of Greenwood. An Education major, Betty heads Theta Upsilon sorority, was queen of the engineers' ball, a Tech beauty in 1945, and a member of the Blue Jackets, Band o'Glee, and Tech Teachers' club.

At Tech

Helen Stevenson, an English-Social Science major from Shreveport, has gained many successes while at Tech. A member of the Kappa Delta sorority, she is vice-president of Sigma Tau Delta, honorary English fraternity, and a member of Who's Who in American Colleges and Universities. She has also done work with the campus YWCA and the Women's League board.

President of the Lambda Chi Alpha fraternity and the Commerce Club in 1942, Frank Tarver of Ruston has returned to Tech to finish his education after serving in the armed forces. Since his return, Frank has distinguished himself as a member of Who's Who in American Colleges and Universities, and as a member of the Tech Veterans' organization. He is a Commerce major.

Excelling as a biology and pre-medical major from Rayville, Simmie Sayre is well-known on the campus as an active participant in college affairs. President of Lambda Chi Alpha fraternity, Simmie is a cheerleader, a member in Who's Who in American Colleges and Universities, and has been president of the Interfraternity Council and a member of the freshman rules committee.

50th ANNIVERSARY

Commemorating the 50th year of Tech's history since its founding in 1895, hundreds of Techsters and alumni celebrated a special homecoming on Saturday, November 17. Beginning with the registration period in the morning, a full day of activities was included in the program, highlighted by the address of former Senator James Pinckney Pope, a director of the TVA and Louisiana Tech graduate

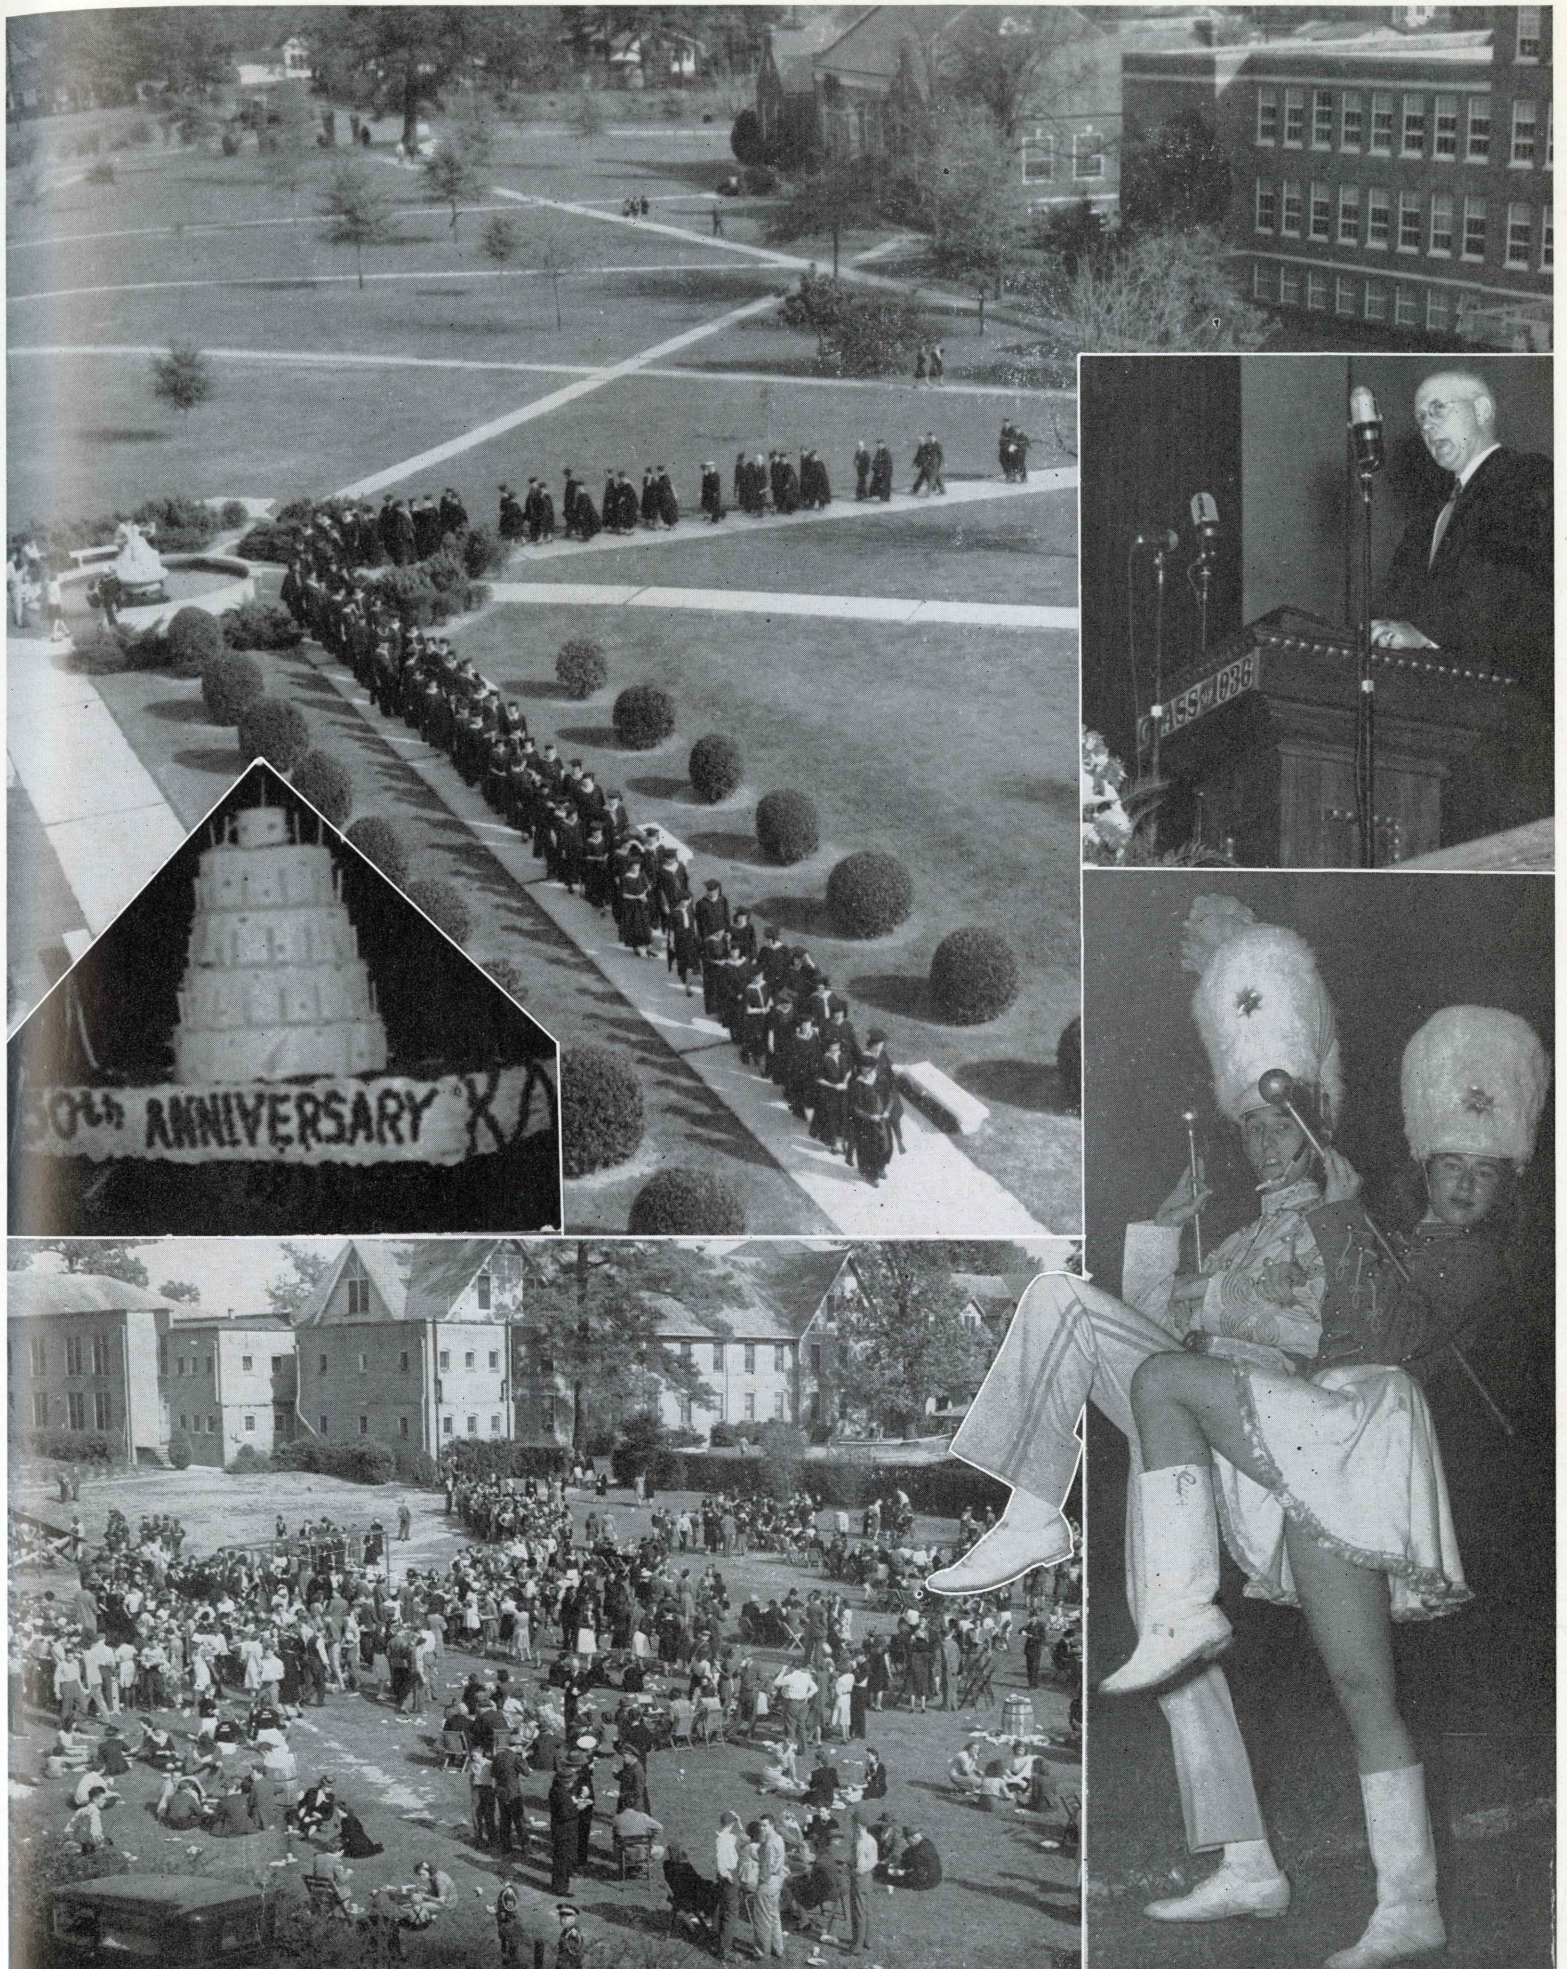

of 1906, on the topic "Fifty Years and a New Era." Also included on the program was the reading of the names of 106 Techsters who died in World War II, and the presentation of engraved memorial certificates to their families.

After a barbecue luncheon prepared by the Ruston Chamber of Commerce, a miscellaneous program of "Glimpses of Tech" was presented, and a mammoth homecoming parade of cars and floats was staged. Capping the day's celebrations were the night football game against the Southwestern Louisiana Institute Bulldogs and the final get-together at the anniversary dance.

The Lagniappe

The Lagniappe, a yearly record of the student and faculty life at Louisiana Tech, is usually edited entirely by students selected by the publications committee of the college. Because the book was begun late in the year, and the student editor was forced to resign because of illness, most of the work of compiling the book was done by P. C. Burnett of the Tech journalism staff, under the direction of Kenneth F. Hewins, head of the department and director of publications. Grateful acknowledgment is made of the able assistance of Virginia Anne Foster and Eddie B. Pohl, whose help greatly lightened the task of publication.

Pictured above are some of the students who assisted in the publication of the Lagniappe. Left to right, they include Frances Welsh, Eddie B. Pohl, Beth MacDonough, Jimmy Files, Joe Herring and Edith Ann Jones.

The Tech Talk

The Tech Talk, having as student editor this year E. W. Carswell, who returned to the editorship after more than three years service overseas with the army, is now in its 20th year of publication. Serving as the official college newspaper and as the workshop in which Louisiana Tech journalism students get practical newspaper experience, The Tech Talk is under the supervision of Kenneth F. Hewins, director of publications, assisted by P. C. Burnett.

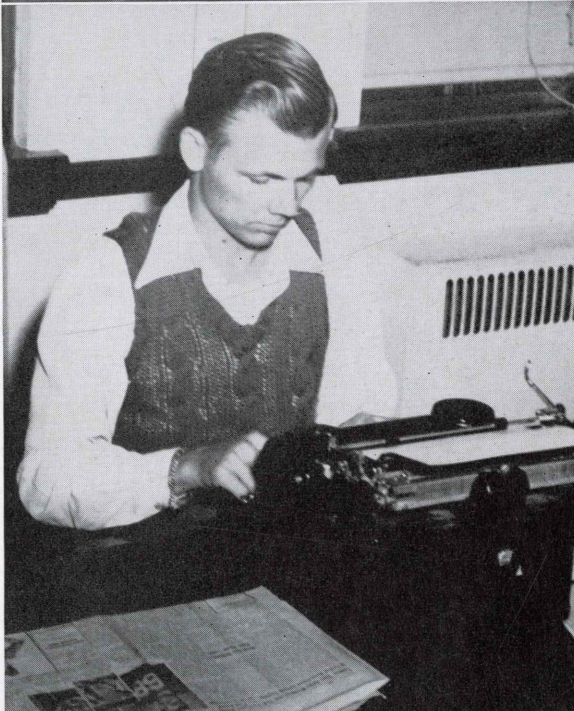

ELBA W. CARSWELL
Editor-in-Chief

Printed in the Tech printing department, one of the most complete plants of any college in the south, under the direction of Henry R. Mays, the newspaper has been consistently given "first class honor rating" by an Associated Collegiate Press critical service, and was twice judged "All-American." Assistants in the printing department include Henry R. Mays, Jr., and Sidney B. Wallace.

LOUISIANA INTERCOLLEGIATE CONFERENCE CHAMPIONS

Winning three out of four of the conference football games, the Bulldogs climaxed a victorious season by being named top team in the LIC.

In the season's opener the Canines downed the powerful Lake Charles Army Air Field 7-2, with Witmer, of the Tech V-12 unit, scoring for the locals. Making it two straight wins, the Bulldogs swamped Howard college 32-6 in the second game of the year.

Playing their first conference game of the fall with the Bulldogs of Southwestern Louisiana Institute, the Techsters took their third straight victory, 14-12.

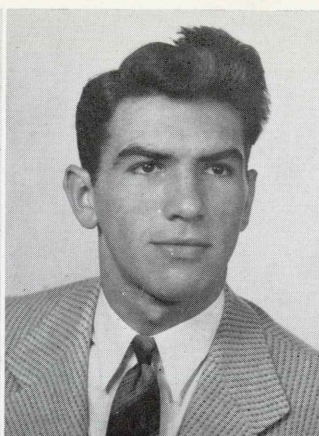

Tasting defeat for the first time, the Bulldogs journeyed to Ole Miss for a ding-dong battle that ended with the Mississippians ahead 26-21. Revenge was taken at the expense of another out-of-state college, Southwestern of Texas, who fell before the Techsters 20-14.

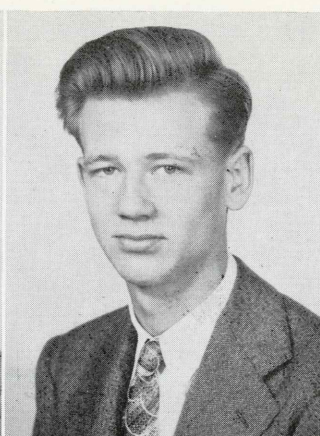

Front row, left to right: Emerson, Ellis, Sullivan, Cope, Barrett, Garrett, Penton, Miller. Second row: Aillet, Gill, McCoy, Whitson, Morgan, Bickham, Taylor, Kelly. Third row: North, Larmour, Anderson, Fox, Luster, Cordell, Graves, Bland. Fourth row: Anderson, Armstrong, Scheene, Witmer, Miller, Crowe, Horneman, Patterson, Lawrence. Back row: Olive, Larry, Stevens, Post, Colvin, Brittain, Dowies, Adkins, Morrison.

Playing their traditional rivals, Northwestern State College of Natchitoches, in the second conference encounter, with a team that was riddled by the transfer of the navy members, the Techsters nipped the Demons to the tune of 18-7.

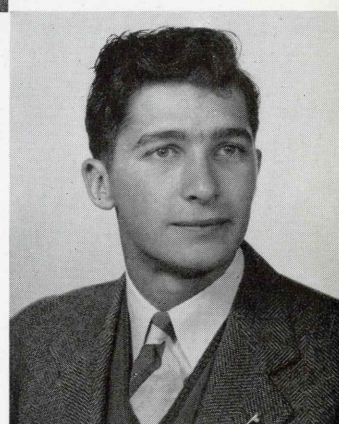

Against the Skyraiders of Barksdale Field, one of the strongest service teams in the area, the Bulldogs fought a hard but losing fight that ended with the flyers chalking up 12 points to 7 scored by the Techsters.

In the game that decided the LIC championship the Canine squad took Northwestern again 7-2. After trailing 2-0 until the final minutes of play, Dowies scored for the Bulldogs, with Michael booting the extra point.

"T-Day" came around and as Tech celebrated homecoming and the 50th anniversary of the founding of the school the Bulldogs dropped their final conference conflict to S.L.I. 13-7, but the conference championship had already been safely tucked away in the Canine kennel.

Journeying to Auburn, Ala., for a meeting with Alabama Polytech (Auburn), the Techsters dropped the final game of the season 29-0, in the only game of the year in which they failed to score.

Bringing home to Tech the second Louisiana Intercollegiate Conference championship of the year, the Bulldog cagers added to the athletic laurels of the college with a basketball schedule that showed 16 wins for the Techsters against 7 losses. In only three of the games lost did the Canines lose by more than two points.

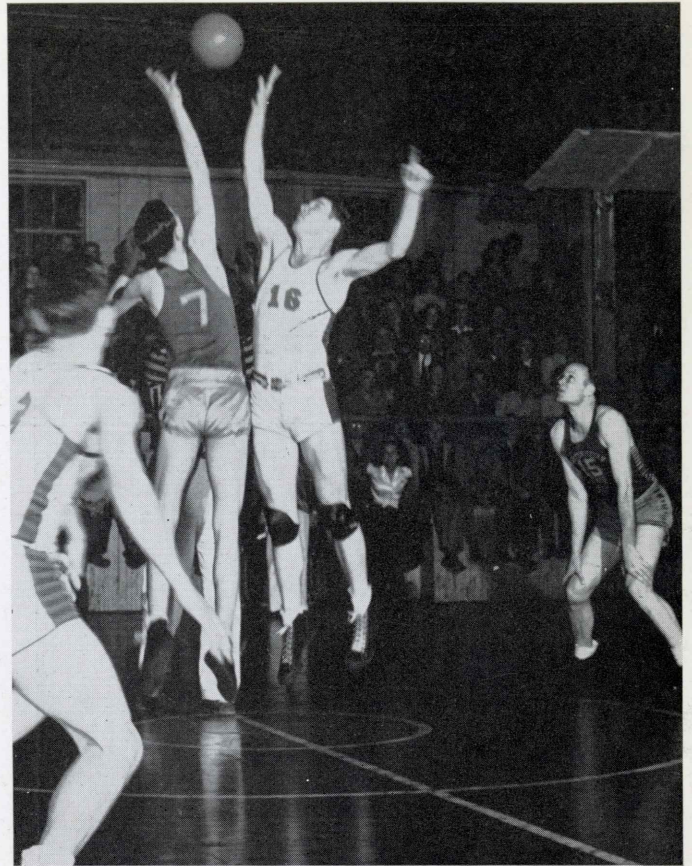

In their opening game against the Demons of Northwestern the inexperienced Techmen, playing a squad composed almost entirely of freshmen without previous college experience, suffered the worst defeat of the year by losing 54-19.

In later conference play the Bulldogs gained experience, confidence and a long string of victories including double wins over Southwestern, 44-34 and 56-33; over Centenary, 54-17 and 47-43; over Southeastern, 60-52 and 47-27, and over Louisiana College, 50-33 and 45-37.

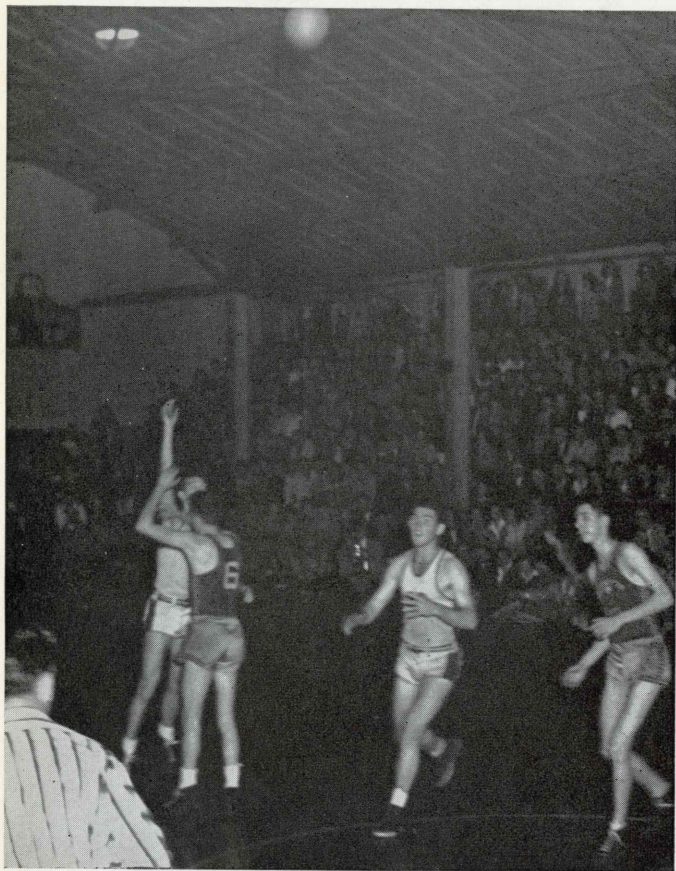

In non-conference matches the Techsters split a pair with Selman Field, losing 35-33 in Monroe and downing the airmen here 62-42 in a return game. The Barksdale Field Flyers were nipped by the Bulldogs 43-37 on their home floor in Shreveport, and evened the score by downing the locals 36-34 in a return match at the college.

Continuing to split series games against non-conference foes, the Techmen defeated Mississippi College 37-27 and were edged out 39-38 in the return game. Against Keesler Field the Canines lost the first match 60-44 and retaliated by dumping the airmen 51-41 on home grounds.

After downing the Mississippi Southern five 36-24, the Bulldogs tangled with the Bengals of Louisiana State University, runners-up for the Southeastern conference crown, and were clawed 58-43 in a game that was closer than the final score revealed.

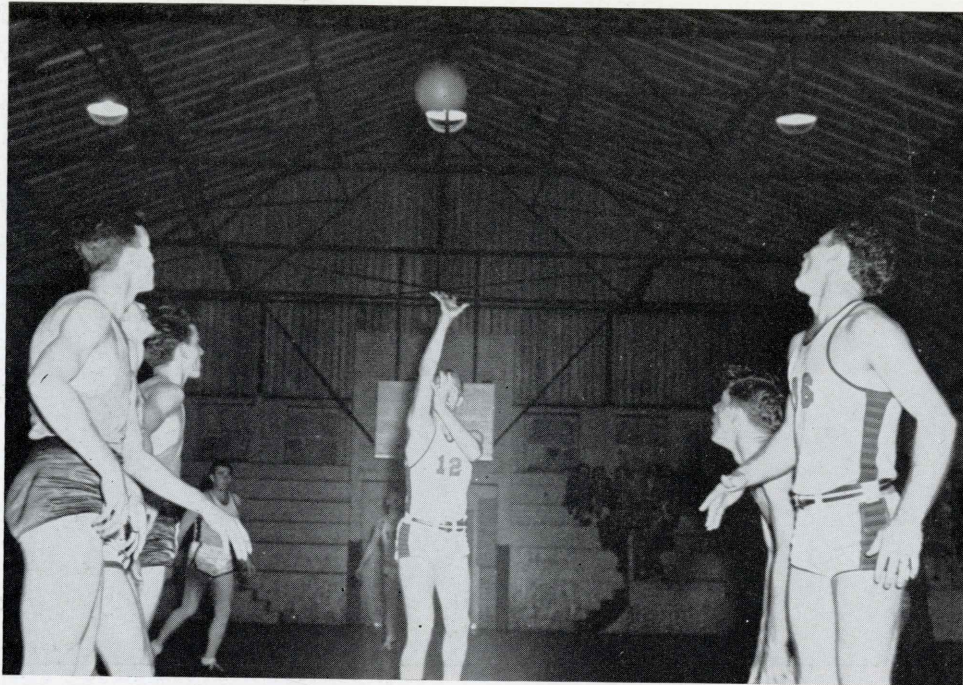

The Canines use a bicycle line-up in confusing the Centenary Gentlemen as the Techsters knock off 54 points to the Gents' 17.

At the end of the conference season the championship laurels were split between Tech and Northwestern, each with one defeat on their record. According to LIC regulations, a two-out-of-three game play-off series was necessary. In the first contest Tech center Truitt (Red) Latham dropped one in the basket 30 seconds before the final whistle to give the Canines a 38-36 edge.

In a breath-taking return battle the Demons nosed out the Techsters 41-39 when Waggoner put one through the hoop in the last few seconds of play.

C. B. Magee recovers for Tech after the "Gents" missed a free throw.

H. Carroll shows the technique of how to do it in sinking a free throw against Louisiana college.

The final game of the series found the Tech gymnasium packed to the roof with spectators, and several hundred eager fans being turned away because of lack of seating space. With the lead swapping hands several times, the Techsters managed to forge ahead and win the game and championship 42-35.

Doubly sweet to the college was the taste of revenge for their worst thumping of the season at the hands of the veteran Demons from Northwestern in the opening game.

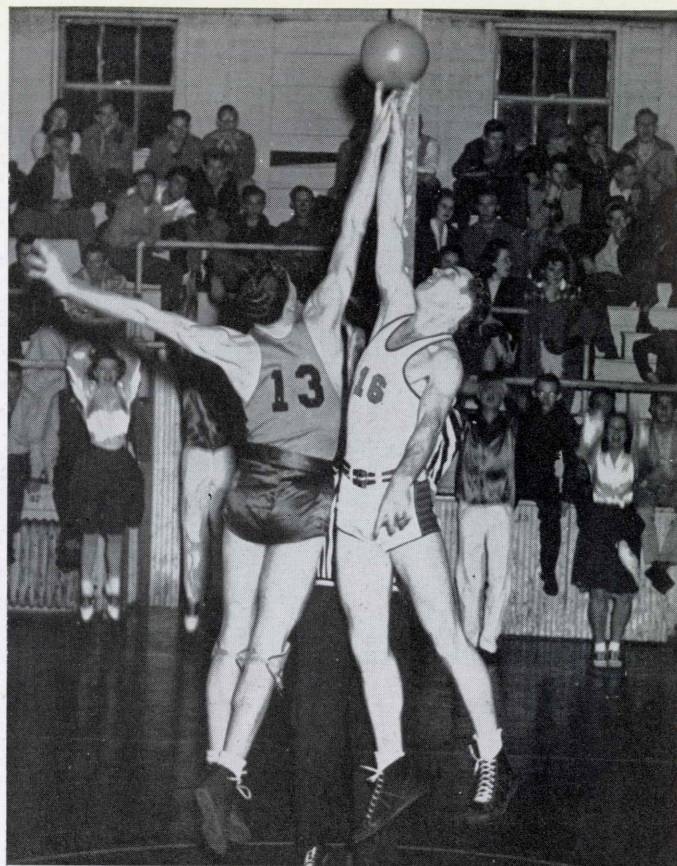

A very familiar sight at the games—Burnett, Hewins and Jeffress keeping score.

As a result of the conference championship, the Bulldogs were representatives of the league at the National Intercollegiate Basketball meet in Kansas City, replacing the Northwestern team who had entered the meet before the completion of the LIC play.

In their first game the Canines ran into one of the meet favorites, a red hot quintet from East Washington State College, Chaney, Washington, who trimmed the locals 66-44.

Below—Cheerleaders for the Bulldogs. Front row, Helen Ford, Vyette Bernhardt, Bette Ward. Second row, Gene Garrett, Benja Smith and Glen Hebert.

BASEBALL

Undefeated in conference play for the 1946 season, Tech's Bulldog baseballers brought home the third major Louisiana Intercollegiate Conference title of the year to give the Canines a clean sweep in sports events for the second straight operating season. It was the third consecutive baseball crown for the Techsters.

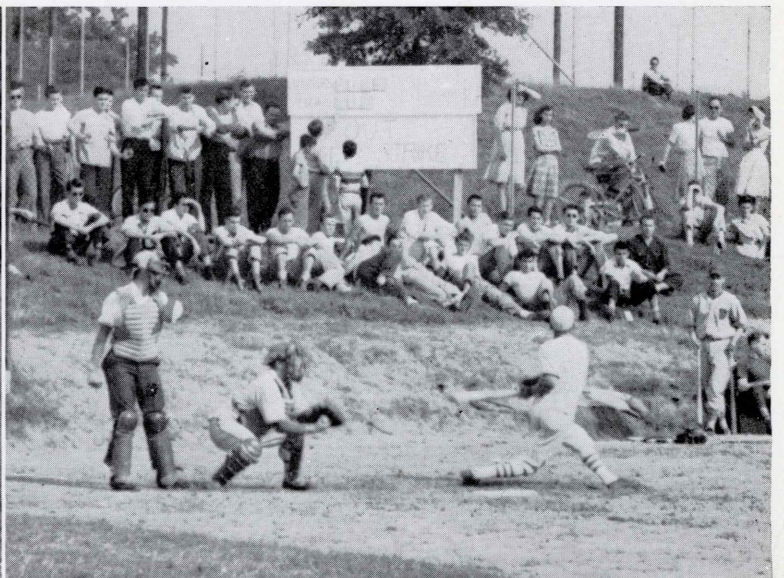

Opening the season against the Shreveport Sports of the Texas league, the Bulldogs played ragged ball to give the professionals a 10-3 victory. Of the 13 runs scored in the game only 2 were earned, one by each team. In the second game of the year the Sky Raiders of Barksdale Field edged out the Techmen 7-6 at Shreveport, but were thumped by the Canines 7-3 in a return match at Ruston.

In the opening conference game against the Wildcats of Louisiana College the Bulldogs ran wild to mark up a 25-1 score in a game cut to seven innings. Four Tech pitchers gave up only 2 hits, while the Pineville nine made 10 errors that helped build up the Tech score.

In the first meeting with the downstate Bulldogs of Southwestern Louisiana Institute, played at Ruston, the Techsters won their second straight conference victory 4-1.

An S.L.I. batter gets set to swing at a fast one.

Another case where a miss is as good as a mile.

Journeying to Biloxi, Miss., for a match with the Keesler Army Air Field nine, the Bulldogs trimmed the flyers 3-1, but dropped a return encounter at Ruston 6-3.

Playing Southwestern on the local diamond for the second meeting between the two teams, the Techmen captured the conference laurels by nosing out the visitors 6-5. Sparkplug for Tech was Lester Burkes, who hit 2 home runs and a single in four trips to the plate, and drove in 5 of the 6 Tech markers.

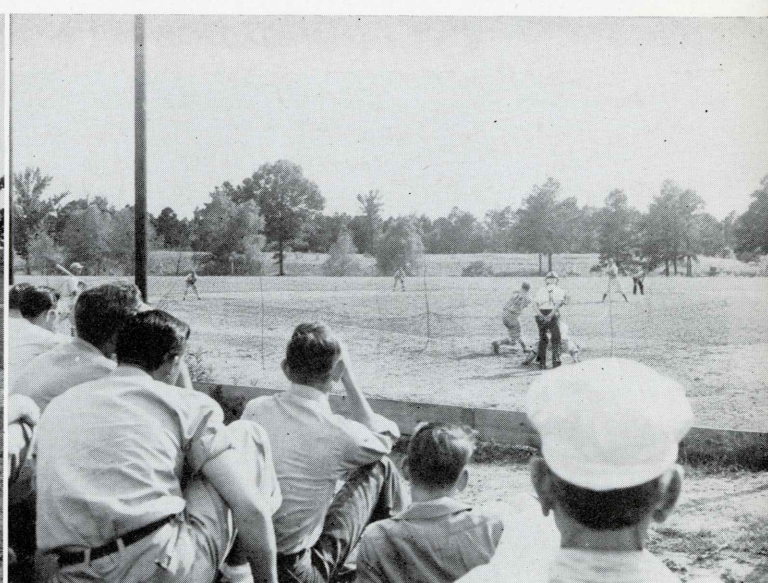

Closing out the season with a final victory, the Canines again treed the Wildcats from Pineville, winning 8-3 in a game that was halted in the eighth inning because of rain.

Women's Athletics

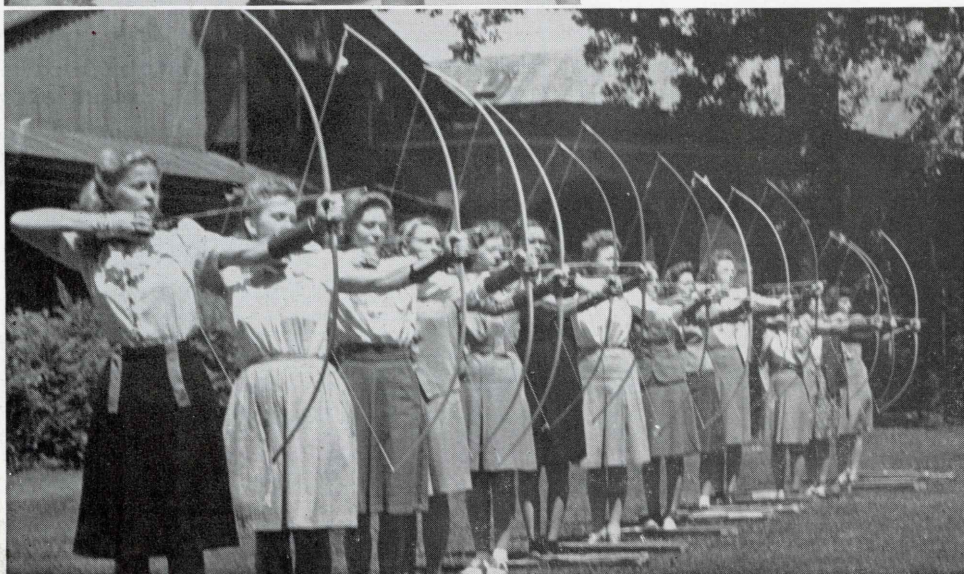

Shown at left is a scene from a class learning and putting into practice the technique of girls' volleyball.

While Tech does not participate in interscholastic athletic competition for girls, intramural sports and activities play a large part in the well-being of the girls. The Department of Health and Physical Education for Women is set up to perform the following services:

1. To provide service courses to meet the four hours required by the college for graduation.
2. To provide courses to meet requirements of the State Department of Education for certification of teachers.
3. To provide a curriculum to train teachers in Health and Physical Education and leading to the B.S. degree in the School of Education.

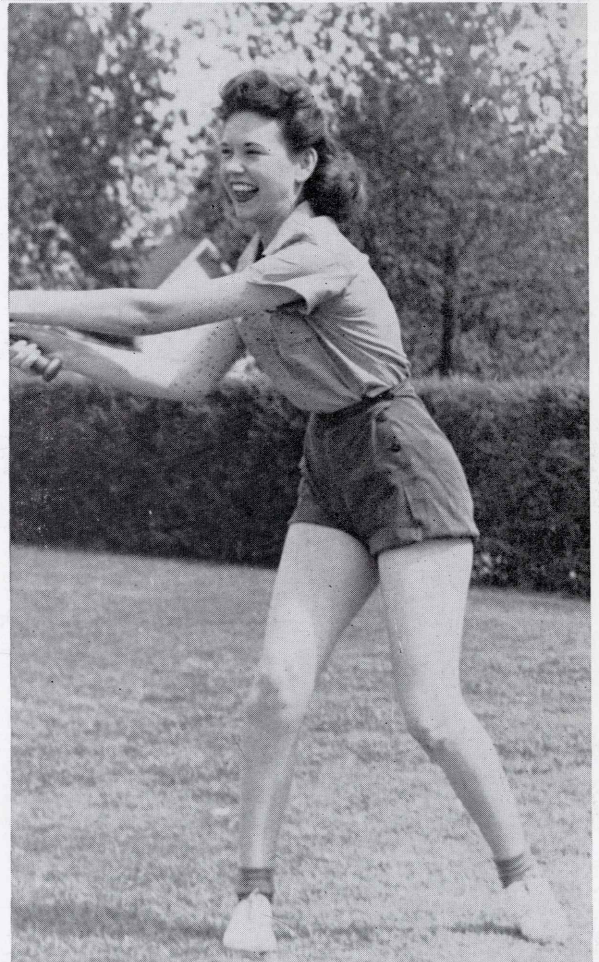

At the firing line are a group of "William Tells" aiming for the bull's eye.

Softball—an all-around favorite among the forms of sport offered the girls.

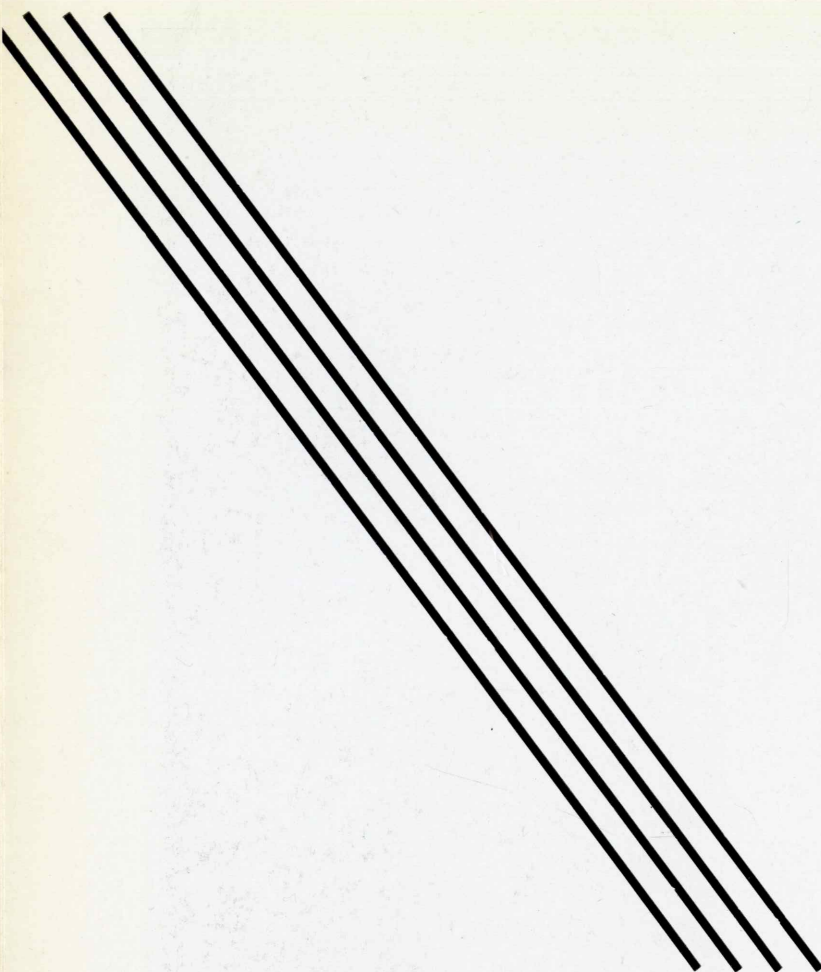

The women students of Tech have a great variety of courses in physical education from which to choose. These courses include badminton, volleyball, softball, basketball, soccer, and archery. Tumbling, American country dance, tap-dancing, social dancing, and modern dance head the list of popular courses offered by the department. In addition to the four hours required for graduation, students are expected to enroll each term in one of the many activities.

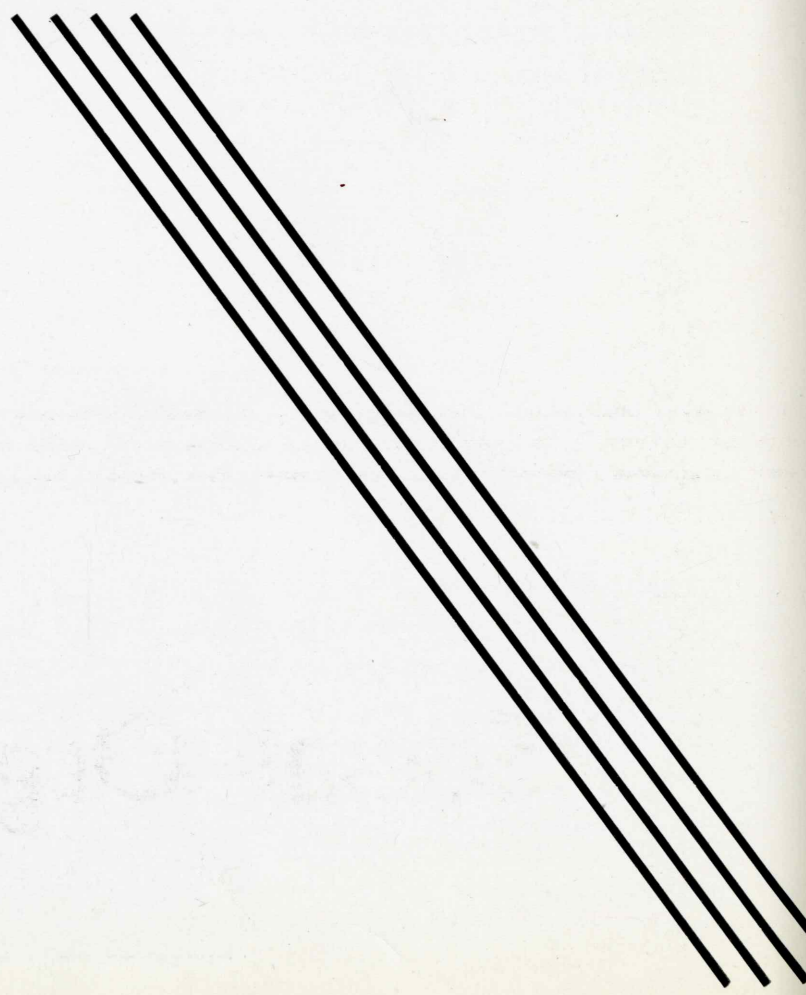

"Out!" calls the umpire in a class of softball under the tutelage of the women's physical education department.
